

Weekly Newsletter

August 8, 2013 **Rockfall Mitigation & Reconstruction** ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the “**Narrows**”

On-site work continues with barrier installation, slope scaling, and material load out. Scaling is nearing completion in Sections 13 and 14, and is expected to move through Sections 12, 11, and 10 next week. Survey work is continuing on the west end of the project as well.

Expect minor delays of up to 15 minutes at a time during the working day. There will also be one lane traffic with signal lights controlling traffic during non-working hours.

Section 14 Slope Scaling, before and after
